Modern newly built villa with sea views. It has everything you need to live with comfort and tranquility. On the main floor there is a large and open living room - kitchen with large glazed windows giving access to the large terrace with its pool of 20x3m. The kitchen appliances are brand FRANKE and the design of the kitchen is Santos. On the same floor there is a bedroom with windows and access to the pool terrace, bathroom in suite, dressing room and a toilet. On the upper floor there are 2 bedrooms, each with its bathroom and its own dressing room. A fantastic terrace, perfect for a chill out and jacuzzi with Sun all day area is accessible from both bedrooms. On the lower level is the 4th bedroom with its own bathroom and a private terrace. Here also is the integrated garage and room for heating. It has heating floor heating with heat pump and air conditioning with split systems in all bedrooms. For the water, there are solar panels on the roof. All interior blinds are electric and the House is sold fully furnished. A truly stunning property and well designed with high quality materials.
