The villa THEIA project is in the beautiful area of la Granadella, Javea, Alicante - Spain. The property of three floors, has wonderful views towards the sea and the Bay. The property in first line of beach is located in a plot private of 1200 m<sup>2</sup> and has an area of construction of approximately 600 m<sup>2</sup>, 340 m<sup>2</sup> of which correspond to the surface of the platform. The form of the villa is adapted to the ground natural of the plot and consists of three plants. The main entrance is located on the third and top floor of the villa with its own parking lot, with a staircase leading to the living room. The property counts with 5 bedrooms, 3 on the second floor and two in the first. Each room has its own room of bath and access independent to a terrace with views to the sea, the sky and the Bay of the Granadella. The master bedroom on the first floor is equipped with its own, unique hydromassage tester. In the lower part of the villa there is a large and elegant lounge/Diner, kitchen and a bathroom. From here there is a direct access to the terrace with a swimming pool and relaxation area. The villa is built in high quality and is corresponds...
